ADM-10.9

31 OCT 1967

DD/S&T-4324

**MEMORANDUM FOR:** Director of Personnel

**ATTENTION:** Chief, Position Management and  
Compensation Division

**SUBJECT:** Incumbency Allocation Designation

1. Position number 1345 is currently listed on the Office of Scientific Intelligence Staffing Complement as a GS-14. The present incumbent, [redacted] was promoted to GS-15 on 10 April 1966 and continued in this position on a personal rank basis. It was anticipated that he would subsequently be assigned to a GS-15 position as a branch chief.

25X1A

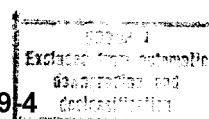

2. In the meantime, however, [redacted] has developed into the foremost expert in the Agency in the preparation of computer supported simulations of foreign air defense weapons systems. His unique expertise is invaluable not only to OSI but also to other components of the Agency and the intelligence community, such as Air Force research and development organizations and their contractors. Most recently, the Agency has been requested by the Department of Defense to provide support to an important program in research, development and operation of intelligence collection vehicles. As a member of this support group, [redacted] services are essential both to its product and to the proper guidance of contributing contractors.
